**DUNWOODY HOMEOWNERS ASSOCIATION
POSITION STATEMENTS ON PLANNED CHANGES
TO DUNWOODY VILLAGE OVERLAY DISTRICT DESIGN STANDARDS**

1) On Crim & Associates SLUP Application

DHA would like the Planning Commission and City Council to review the Dunwoody Village Overlay District Zoning Codes before approving any specific project in the Dunwoody Village Overlay District. We are uncomfortable with the SLUP process which opens the door for spot rezoning. This is directed to the process, not the visual presentation by Crim and Associates.

Yea: 12 Nay: 0 Abstentions: 2

2) On proposed changes to the Dunwoody Village Overlay District presented by city staff at the DHA public board meeting on July 1:

DHA opposes the architectural changes and other controls to the Dunwoody Village Overlay District presented by Richard McLeod on Sunday, July 1st, without well thought out replacements that are publicly vetted by the community.

Yea: 12 Nay: 1 Abstention: 1
